Dear Bloomington Public Health Division,

This email is being sent to formally state that I do not intend to continue on the Advisory Board of Health for another two year term.

Due to some new commitments of my time and extensive travel plans in 2015, I would miss at least 3 meetings which drops below the mandatory attendance of 80 %.

It has been a pleasure to serve and I will miss being so well informed about Public Health in our community.

Warmest Regards,

Gregory A. Harms, DDS 10/15/2014

Hi Bonnie,

This is confirmation that I definitely would like to continue on the Board next year. Greg Harms has asked me to act as chair and I am looking forward to doing that.

Thanks,

Advisory Board/Commission Membership Application - Joe Lawless

My background in developing, managing and selling a successful business, combined with experience with my own board of directors, Bracketts Crossing advisory board and coordinating with the elected members of Lake Country Power board members has given me the insight and experience into strategic advice and planning.

My civic participation in Bloomington has consisted of volunteering at Bloomington Creekside Center 'City Diner', serving lunch, and assisting 'set-up' of the Bloomington farmers market on Saturday mornings. I have also enjoyed being a District 6 referee for youth hockey.

My background is business management and housing, with my interest being the pursuit of durable, healthy housing.

I would like to get more involved with the community I live in, apply my experience to assist in planning and meet new and interesting people.
