

# Request for Council Action

Originator Public Health	Item <b>Heart Safe Community Proclamation</b>
Agenda Section Introductory	Date 2/23/2015

Description

The Heart Safe Communities program is a collaborative effort between Public Health, Police, Fire, and EMS in Bloomington and Edina. This program is funded by the Bloomington Community Foundation and MN Resuscitation Consortium at the University of Minnesota through the Medtronic Foundation HeartRescue Project, in partnership with Minnesota Heart Safe.

The Heart Safe Community Proclamation is attached for presentation at the Bloomington City Council meeting.

Requested Action

Mayor read and present the Heart Safe Community Proclamation.
