

Request for Council Action

Originator Finance	Item 2014 Year-end Carryover Budget
Agenda Section Consent Business	Date 2/23/2015

Description

The City Council is asked to consider and approve the re-appropriation of the enclosed list of 2014 budgeted expenditures into 2015. All items listed were approved in the 2014 budget but for various reasons were not expended or encumbered in 2014.

If additional invoices are received, carryovers will be reduced accordingly. Only available funds will be carried over.

Because the annual appropriation lapses at year-end, this carryover is necessary to allow for completion of these items.

Requested Action

Approve the re-appropriation of the 2014 budgeted expenditures into 2015.
