

# Request for Council Action

Originator Finance	Item <b>Replacement Fire Department Radios – Approve Purchase</b>
Agenda Section Consent Business	Date 3/16/2015

Description

Council is requested to approve the replacement and purchase of 65 Fire Department portable radios with accessories and 6 Fire Department station base stations. The radios are 10 years old and scheduled to be replaced in 2015; the normal life of portable radios is 8 years.

The radios are available under the State of Minnesota Contract #40071 from Motorola Solutions of Eden Prairie, MN for the amount of \$281,541.50.

The funds are available in the Police Department Radio Account 745601-56780. The Fire Department pays fees into this budget for replacement and maintenance of its radios.

Requested Action

Approve the purchase of 65 Fire Department portable radios with accessories and 6 Fire Department station base stations under the State of Minnesota Contract #40071 from Motorola Solutions for the amount of \$281,541.50.
