Hello Khai,

I would like to confirm your address of 8144 West 110th Street Circle. If so, this street name change wouldn't affect the street name that you reside on. This street name change is for the Rahr Preserve subdivision which is located on the south side of West 110th Street and west of your property. The cul-de-sac for the Rahr Preserve subdivision is also currently named West 110th Street Circle.

Please contact me if you have any questions or concerns.

Thank you,

I'm writing this email on behalf of my father, Khai Phan, who lives on the subjected street. He does not support the changing of the name to Aquila Blufs Circle because of the following reasons:

1. He and my mother can't pronounce the new name very well
2. He would have to update a lot of documentation to use the new name
3. He would have to update his friends on the new name
4. He doesn't like the new name

Per the above reasons he and my mother does NOT support the street name change.
