

Request for Council Action

Originator Human Services	Item Genocide Awareness and Prevention Month Proclamation
Agenda Section Introductory	Date 4/6/2015

Description

Designating the month of April as Genocide Awareness and Prevention month is part of the Human Rights Commission's 2015 Work Plan. The rationale for this designation is to honor and memorialize victims and survivors whose lives have been affected by conflict and to support policies and practices that welcome immigrants to Minnesota and Bloomington.

Requested Action

Mayor read and present the Genocide Awareness and Prevention Month Proclamation.
