**Minnesota River Valley Master Plan Update**

---

Date

4/8/2015

---

Description

Enclosed for review by the PARC is the first draft of the Minnesota River Valley Master Plan document. Staff will present the draft plan at the April 8 PARC meeting for review and comment. The draft master plan document is tentatively scheduled to be presented to the Planning Commission on April 9 and at the Council study meeting on April 27. Following the Council meeting, the draft master plan will be available for public review on the City's website, and an open house to accept comments on the master plan will be scheduled for some time in May. Once public comments have been received, a final draft will be compiled and brought back to the PARC, Planning Commission and City Council for review and eventual approval. Information on the draft master plan is available on the City website at: <http://bloomingtonmn.gov/minnesota-river-valley-master-plan>
