Item
**Recommendation to the City Council on the Alternative
Transportation Plan Update**

Date
4/23/2015

Description

A draft Alternative Transportation Plan Update was presented to the Planning Commission during its January 15, 2015 study meeting. An open house to solicit public feedback on the draft ATP Update was held on February 12, 2015. Since the public comment period has concluded, staff has incorporated public feedback, changes requested by the Advisory Commissions and the City Council, and is now seeking recommendations for adoption. Staff will provide a brief presentation on the final document and identify any substantive changes since the Commission's January review.

The final draft of the Alternative Transportation Plan (ATP) 2015 Update document is attached. Staff presented the final draft of the plan at the April 8, 2015 Park and Recreation Commission meeting and will be presenting the final draft to the City Council at the April 27, 2015 study meeting.

Pending revisions directed by City Council, the final ATP Update document will be brought back to Council at a regular meeting in May for consideration of adoption.

Requested Action

Staff recommends the following motion:

I move to recommend City Council adoption on the 2015 Alternative Transportation Plan Update.
