Grandparent Permission Form for Aquatic Center Passes

Date

5/13/2015

Description

The Parks and Recreation Division has received several requests over the years to allow grandparents to purchase season passes for their grandchildren at the reduced resident rate to the Bloomington Family Aquatic Center based on the grandparent's Bloomington residency. A growing number of grandparents care for their non-resident grandchildren during the summer months, and are looking for conveniently-located summer youth activities.

Staff proposes amending the 2015 fees and charges schedule to create Resident Grandparent season pass rates to allow grandparents to purchase resident rate season pool passes for their grandchildren, ages 2-15 years of age. Please note that parents and legal guardians will continue to sign off on the child's participation waiver. Also, children under 11 years of age will be required to be accompanied by an adult 18 years of age or older, or by an approved responsible party.

This proposed change will:

1. Increase resident customer revenue and participation
2. Increase customer satisfaction
3. Increase family time and involvement

Staff has created a Grandparent Purchase Authorization Form for Bloomington Family Aquatic Center season passes which Legal has reviewed and approved as to form (see attached.)

New Resident Grandparent rates for Bloomington Family Aquatic Center youth season passes will be as follows:

- Resident Grandparent Child Season Pass (2-10 years old) - \$18.50 per child
- Resident Grandparent Young Adult Season Pass (11-15 years old) - \$30.25 per young adult

Staff recommends approval of the new grandparent rates for youth season passes at the Bloomington Family Aquatic Center.

Requested Action

Approve the new Resident Grandparent rates for youth season passes at the Bloomington Family Aquatic Center.
