

# Request for Council Action

Originator Community Services	Item <b>Hyland Greens</b>
Agenda Section STUDY	Date 7/6/2015
Description	

At the City Council study meeting on June 8, 2015, staff presented Council with potential options for addressing the ongoing operating loss at Hyland Greens Golf and Learning Center. At that meeting, the City Council directed staff to explore several of the alternatives, including redevelopment of the property, conversion to a park and a hybrid approach that would incorporate a park into a residential development. Council also requested that staff articulate what the City hopes to accomplish with the future use of the facility and formulate a community engagement process.

---

Requested Action

Provide input on the community engagement process and draft values for future use of Hyland Greens.
