Dear Bloomington Human Rights Commission,

Thank you for your support of PACER's National Bullying Prevention Center and providing an amazing venue for the event! We so appreciate all that your organization contributed to the event to help make it a success. It was wonderful to have your organization help us celebrate students and community members who have gone above and beyond in bullying prevention.

The Unity Awards truly showed that bullying is a community-wide issue and that everyone has a role in preventing bullying. It was great to have a community group like yours as part of the event, showing the important role that we all have. We value your support of PACER's mission creating social change, so that bullying is no longer an accepted childhood rite of passage.

Thanks again for providing a wonderful venue for the Unity Awards; we hope to have your continued support for PACER's upcoming events, including Run, Walk, Roll Against Bullying on October 3rd and Unity Day on October 21st. By working together, we can make a difference to ensure that all students have a safe and supportive education. When we all stand together, no one has to stand alone!

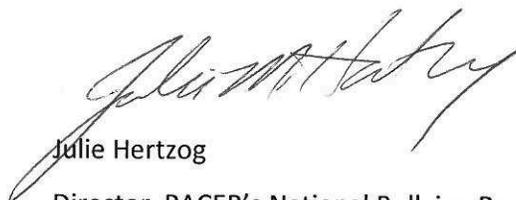

Sincerely,

Paula Goldberg
