

Request for Council Action

Originator Community Development	Item 2016 Richfield Environmental Health Inspection Services Contract
Agenda Section Consent Business	Date 8/3/2015

Description

The City of Richfield has a delegation of authority from the Minnesota Department of Health to perform plan review, licensing and inspection activities for restaurants, schools, daycares, public swimming pools and hotels. In 2014, plan review and inspection of licensed therapeutic massage and body art establishments were added to the contract services. The City of Richfield, under the proposed contract, will pay the City of Bloomington \$126,500 for performing these delegated services in 2016 plus \$62 per hour for lead environmental assessments and appropriate enforcement activities for cases of elevated blood lead levels.

The proposed 2016 contract includes a 3% increase from the 2015 contract amount.

Requested Action

Staff recommends approval of the proposed 2016 Environmental Health Inspection Services Contract with the City of Richfield.
