Originator Engineering	Item Adopt a Resolution Accepting Permanent Easements in Lots 19 and 20, Block 1, SHEPHERD HILLS FIRST ADDITION
Agenda Section CONSENT BUSINESS	Date 10/19/2015

Description

Xcel Energy requests to relocate an existing street light between 8707 and 8709 Beard Road to a new location between 8705 and 8707 Beard Road. The new location of the street light will improve public safety due to a low hanging power line over the home of 8709 Beard Road.

The relocation of this street light requires an easement for public utility purposes over and across 8705 and 8707 Beard Road and the owners have agreed to grant the needed easement at no cost to the City.

The City Council is requested to adopt the attached resolution accepting the permanent easements. Legal has reviewed and approved the easements.
