---	--

Date

Description

The HRA Board will meet on-site to tour the newly-constructed home at 10626 Vincent Avenue South. The HRA had previously acquired the substandard home that was on the lot. As part of the Blighted Property Program, the old home was removed and the vacant lot sold to Minnesota Design Build, LLC in April. The new home is now complete and the builder has sold it to a private homeowner who will move in at the end of November.
