

Request for Council Action

Originator Engineering	Item Adopt a resolution to order 2016-101 Pavement Management Program (PMP) Street Reconstruction Project
Agenda Section Public Hearing	Date 11/16/2015

Description

A public hearing has been scheduled for this evening to consider the 2016 Pavement Management Program (PMP) Street Reconstruction Project (City Project 2016-101). This will be the 23rd year of the program. The reconstruction will be assessed according to the City General Assessment Policy. A feasibility report is included with the agenda materials.

At the October 5, 2015 City Council meeting, the Council adopted a resolution to order a feasibility report and call for a public hearing for the 2016-101 PMP Street Reconstruction project. Since then, staff is recommending that South Bay Circle and a portion of South Bay Drive be overlaid instead of reconstructed based on their existing condition. These segments would remain in the 2016-101 PMP Project and be paid with PMP Overlay funds.

The revised list of the streets proposed for reconstruction is below:
