

Request for Council Action

Originator Parks and Recreation	Item Metropolitan Council Regional Park Grant Agreement SG-03560
Agenda Section Consent	Date 12/21/2015

Description

Council is requested to approve grant agreement SG-03560 between the City and the Metropolitan Council for the Hyland-Bush-Anderson Lakes Regional Park Reserve:

- \$285,000 as partial funding to reconstruct parking lots, driveways, parking lot lighting, boat ramp improvements and associated storm water improvements at the Hyland-Bush-Anderson Lakes Regional Park Reserve.

The grant would be used in combination with other Metro Regional Parks grants to undertake the reconstruction of the parking lots and boat ramp at West Bush Lake Park. This project is proposed to be implemented in two phases, to coincide with the availability of other Metro Regional Parks grant dollars. Each phase will cost approximately \$850,000 including design, construction, contingency and inflation costs (total of \$1,700,000 for the two phases). Phase I is slated to begin in 2016 and Phase II in 2018.

The City Attorney's office has reviewed and approved the grant agreement as to form. A copy of grant agreement #SG-03560 is enclosed. The parking lot reconstruction projects are included in the City's five-year Community Investment Program. Pending approval of other Metro Regional Parks grants, it is anticipated that all projects costs will be covered by grant funds.

Requested Action

Approve grant agreement #SG-03560 between the City and the Metropolitan Council for the Hyland-Bush-Anderson Lakes Regional Park Reserve.
