Originator Engineering	Item Request approval of the Construction Cooperative Agreement with Hennepin County for 2016-201 Normandale Blvd. Reconstruction
Agenda Section Consent	Date 3/21/2016

Description

In July 2012, the City of Bloomington as awarded a federal grant in the amount of \$5.8M to reconstruct Normandale Boulevard (CSAH34) between Nine Mile Creek and West 94th Street. The estimated project cost is approximately \$13.2M. This safety project is a cooperative project between Hennepin County and the City with each agency funding 50% of the remaining project costs after the federal grant (approximately \$3.7M). There are no special assessments for this project.

The City Council ordered the project in November 2014. Since that time the project has been in the design and the right of way acquisition process. Construction will begin summer of 2016.

The Construction Cooperative Agreement between the City and Hennepin County documents the funding, design, administration and construction responsibilities of each agency.

The Agreement has been reviewed and approved by the City Legal Department, a copy is available for review in the City Engineer's office.
