Originator Human Resources	Item <b>Extension of City Manager's Employment Agreement</b>
Agenda Section Consent	Date 3/21/2016

Description

The original Employment Agreement between the City and City Manager Jamie Verbrugge was for a period of one-year (February 2, 2015 – February 1, 2016). It was drafted with the intention of being extended after completion of the first six-months of service. However, while a six-month performance review was completed on the City Manager, records indicate that the Council did not formally act to extend the agreement at that time. Therefore, it is recommended that the Council take action now to extend the existing Employment Agreement to August 2, 2016. At that time the City Manager would receive his next performance review and the Council could consider issues of compensation and contract duration moving forward.

Requested Action

The Council is asked to extend the City Manager's Employment Agreement through August 2, 2016.
