

RESOLUTION NO. 2016-

A RESOLUTION ORDERING IMPROVEMENTS FOR
SIGNAL OPTIMIZATION AND
INTELLIGENT TRANSPORTATION SYSTEMS (ITS) PROJECT
(CITY PROJECT 2016-202)

WHEREAS, the City Council of the City of Bloomington is the official governing body of the City of Bloomington; and

WHEREAS, the City Council of the City of Bloomington on the 21st day of March, 2016, ordered the preparation of a Feasibility Report for the Signal Optimization and ITS Project (City Project 2016-202); and

WHEREAS, the City Engineer has determined that the proposed improvement is necessary, cost-effective, and feasible as indicated in the Feasibility Report for the Signal Optimization and ITS Project (City Project 2016-202); and

WHEREAS, the project is anticipated to be funded by a combination of a Federal grant and City of Bloomington funds; and

WHEREAS, the estimated cost of the project is approximately \$1,120,000 and a special assessment is not being contemplated for this project.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF BLOOMINGTON, MINNESOTA, THAT;

1. Such improvements as listed above were ordered with three-fifths vote by the City Council on the 4th day of April, 2016, after due consideration of all information, for construction on or before the year 2019.
2. The Engineering Division of the City of Bloomington Public Works Department is hereby designated Engineers for these improvements. They shall hire and manage an Engineering Consultant to prepare plans and specifications for the making of such improvements.

Passed and adopted this 4th day of April, 2016.

Mayor

Attest:

Secretary to the Council
