

# Bloomington Signal Coordination Plan

Project Scope	
<b>American Blvd:</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>West Bush Lake Road:</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>98th Street (Index 2 &amp; 3):</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>Lyndale Avenue (Index 4):</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>98th Street (Index 5):</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>86th and 90th Streets (Index 6):</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Fiberoptic interconnect &amp; Equipment</li> <li>3) Communications equipment</li> </ol>
<b>South Loop District (Index 7):</b>	<ol style="list-style-type: none"> <li>1) Develop coordinated timing plans</li> <li>2) Management software; coordinated event management plans to support ITS Wayfinding</li> <li>3) Communications equipment</li> </ol>

**Legend**

- Signal Locations: Yellow circle
- Coordinated Signal Corridors:
  - Proposed: Purple shaded area
  - Existing: Green shaded area
  - Future City/County Coordinated: Orange shaded area
- LRT: Dashed line

**Project Limits**  
 Signal Retiming, Coordination & System Management  
 CMAQ  
 City of Bloomington, MN
