

Originator Community Services	Item <b>Patron Card Reciprocity</b>
Agenda Section CONSENT	Date 4/21/2014
Description	

Staff are requesting approval of patron card reciprocity that would allow golfers holding patron cards from the following public golf courses to play at Dwan Golf Club at Dwan's patron rates: Braemar (Edina), Brookview (Golden Valley) and Baker National (Three Rivers Park District).

The patron card reciprocity would be restricted to the following days and times:

- Tuesdays: Any time
- Wednesdays: Any time
- Sundays: After 1 p.m. until dusk

This patron card reciprocity will allow Dwan to pick up additional tee times from customers that do not typically use the course now. The other three courses have used this arrangement for two years and have found that reciprocity does not affect their home course patrons' abilities to make tee times.

With this reciprocity, Dwan patron card holders would be allowed to play at the patron rates posted for Braemar, Brookview and Baker National when they play those courses at the days and times listed above.

---

Requested Action

Approve patron card reciprocity with Braemar, Brookview and Baker National golf courses.
