

Case File Number: PL2016-128

August 9, 2016

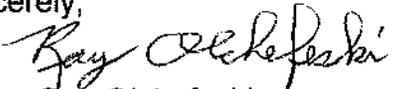

Applicant: Patrick Bigelow

Property Address: 9915 Portland Ave.

To Whom It May Concern,

I received the "Notice of Public Hearing" today and my wife and I are writing this letter in support of our neighbor, Pat Bigelow. Linda and I have lived in our house at 610 East 99th Street since 1980. Mr. Bigelow is a good neighbor and has done a great job in improving his property. We believe that the variances proposed will have a better overall look and we are in total support. Pat has demonstrated in the past his commitment to keeping his property looking good and we have all the confidence in him that this fence will be well kept and look aesthetically pleasing to our neighborhood.

Sincerely,

Ray Olchefeski

Subject: PL2016-128 - Patrick Bigelow - 9915 Portland Ave. S.

Mr. Pease,

I am in favor of granting the proposed variance to my neighbor Patrick Bigelow.

I believe that the proposed increase in the height of the side yard fence is acceptable.

Thank-you for your consideration in this matter.

Sincerely,
Laurie Whitmarsh
9908 Oakland Ave. S.
Bloomington

In June, I built a fence on the west side of my lot at 9915 Portland Avenue. I later found I had built this fence outside the requirements of City Code Section 21.301.08.

I have filed a request for variances for the fence to be taller than 4 foot w/ 50% opacity. I have requested to have a 6 foot fence with a 1 foot 4 inch lattice for a total of 7 foot 4 inches and 100% opacity. I have also requested an additional post height from 12 to 13 inches for planters and top post lights. A 6 foot fence built on any other than a corner lot would have been legal. I built this fence to have privacy and to keep my property as neat and organized as I can.

On 8-25-16 I am requesting that the Planning and Zoning Commission fully or in parts allow the variance I applied for in case file PL2016-128. I would appreciate your support with a signature. Thank you friends and neighbors.
