Originator Finance	Item Abatement of Public Nuisance Assessment - 11533 Palmer Circle
Agenda Section Consent Business	Date 10/24/2016

Description

In March, 2016, the City entered into Agreements with Reid Coleman to have the City remove accumulations of refuse, debris or filth, including but not limited to accumulated household garbage or refuse, feces and urine, clutter, paper products, food products and any rodents, insect or other pests, including any evidence of their infestation or harborage upon the premises to make the dwelling fit for human habitation. Reid Coleman agreed to directly certify the unpaid costs to the assessment rolls. He waived his rights to notice and public hearing. Copies of the Agreement are enclosed with the agenda material.
