| Agenda Section Consent | Date October 24, 2016 |

Description

On September 26, 2016, the City Council approved a Supplemental Cultural Grant for Artistry and the related Memorandum of Understanding (MOU). Section 3(b) of that MOU required Artistry to amend its organizational documents to provide for the addition of two board members who represent the City. The MOU also provides that the City's representatives shall be (1) a member of the City Council and (2) the City Manager or his or her designee from the City Manager's leadership team.

Artistry has amended its documents, so it is appropriate that the City Council make its appointments for those representatives. Council Member Vlasisavljevich and City Manager Verbrugge have indicated a desire to represent the City on the Artistry Board until Dec 31, 2017.
