

Request for Council Action

Originator Engineering	Item 2010-201 Old Cedar Avenue Bridge over Long Meadow Lake Update & Bridge Enhancements
Agenda Section Study	Date 6/23/2014

Description

The Engineering Division and the consultant, SRF Consulting, will update the Council on status of the Old Cedar Avenue Bridge over Long Meadow Lake project and present alternatives for some bridge enhancements.

Requested Action

Staff would like to request feedback on the alternatives presented for the bridge enhancements.
