RE: Crown Castle Site Name: NORM
Crown Castle Site Number: BUN 822691
Site Location Address: 11000 Normandale Blvd, Bloomington, MN 55437

Dear Mr. Fields:

Crown Castle is submitting for approval, an application for Variance, for the tower site listed at the above referenced location.

As part of the application process, Crown Castle would like to assure your jurisdiction that based upon our records; the wireless communication facility is structurally sound as evidenced by the attached Site Survey. Furthermore, to the best of Crown Castle's knowledge, both the wireless communication facility and site compound have been properly and safely maintained. Crown Castle will continue to maintain this site in accordance with the terms of the Ground Lease Agreement, including all amendments, as well as within industry standards.

The application packet attached includes the following documents:

- Development Application for the Variance
- Application Fee – check in the amount of \$610.00
- Narrative Describing Work – within the application under the Proposal section
- Four (4) sets of scalable CD Plans
- Four (4) sets of Survey Analysis of proposed building in relation to property line
- Four (4) sets of Shelter drawings
- Return FedEx envelope

If possible, please mail the Variance Permit to my attention via the FedEx envelope provided for your convenience.

If the Permit must be picked up by the General Contractor, please contact me and I will make arrangements accordingly.

Please notify me of any additional fees and I will ensure they are promptly paid. Requests for additional information and/or documentation can be directed to me at 651.341.2900 or Kathy.Wenger@crowncastle.com.

On behalf of Crown Castle, I would like to thank you for your assistance and I look forward to your prompt response.

Sincerely,

Kathy Wenger
