Jocelyn Streissguth  
Office Manager  
Ciao Bella  
3501 Minnesota Drive  
Bloomington, MN 55435

Dear Ms. Streissguth,

We received your letter requesting abatement of the penalty and interest charge related to a late payment on liquor sales tax for Ciao Bella. I have reviewed your letter and the information provided by staff in the Finance Department.

In consideration of the fact that Ciao Bella previously had a history of timely tax payments and that you paid the most recent July and August tax payments on time, I am granting an abatement of the penalties and interest charges owed of \$293.81.

We appreciate your efforts to pay your tax liability conscientiously and timely. If you have any further questions, please contact Steve McDaniel in the Finance Department at (952) 563-4763 or myself at (952) 563-8780.

Sincerely,

Mark Bernhardson  
City Manager
