

Request for Council Action

Originator Public Health	Item Approve 2015 Public Health Budget Adjustment for Shared Services Learning Collaborative (SSLC)
Agenda Section Consent Business	Date 12/15/2014

Description

The City Council is requested to approve an adjustment to Public Health's 2015 budget to reflect additional funds awarded in the amount of \$2,400.00 for the Shared Services Learning Collaborative (SSLC) grant project. The purpose of this award is to send Public Health staff to the 2015 SSLC national meeting held January 21-23, 2015, in Charlotte, NC to receive an update and information on the project progress in the past grant year. All expenses for collaborative activities and trainings will be covered by the SSLC grant funds.

Approval of the budget adjustment will require the following adjustments to the 2015 Public Health budget:

Revenue:		
	160204 43401	\$2,400.00
Expense:		
	160204 54630	\$2,400.00

Requested Action

Approve 2015 Public Health budget adjustment for Shared Services Learning Collaborative (SSLC) funds listed above.
